(h) Certification Regarding Responsibility Matters (Executive Order 12689). The offeror certifies, to the best of its knowledge and belief, that --

(1) The offeror and/or any of its principals () are, () are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,

(2) () Have, () have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) () are, () are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) () Have, () have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). (The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).)

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies--

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Act wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) Taxpayer Identification Number (TIN) (26 U.S.C. 6109, 31 U.S.C. 7701). (Not applicable if the offeror is required to provide this information to a central contractor registration database to be eligible for award.)

USMC WIDE AREA WORKFLOW IMPLEMENTATION (March 2008)

To implement DFARS 252.232-7003, "ELECTRONIC SUBMISSION OF PAYMENT REQUEST (JAN 2004)", the United States Marine Corps (USMC) utilizes Wide Area WorkFlow-Receipt and Acceptance (WAWF-RA) to

electronically process vendor requests for payment. This application allows DoD vendors to submit and track Invoices and Receipt/Acceptance documents electronically.

The contractor is required to utilize this system when processing invoices and receiving reports under this contract/order, unless the provision at DFARS 252.232-7003(c) applies. ***The contractor shall (i) ensure an Electronic Business Point of Contact is designated in Central Contractor Registration at <http://www.ccr.gov> and (ii) register to use WAWF-RA at the <https://wawf.eb.mil> site, within ten (10) calendar days after award of this contract or modification. Step by step procedures to register are available at the <https://wawf.eb.mil> site.***

The USMC WAWF-RA point of contact (POC) for this contract is ***Master Sergeant Telly J. Renfroe*** , and can be reached at telephone number 011-81-611-745-6246; email address telly.j.renfroe@usmc.mil

The contractor is directed to use the **Combo** format when processing invoices and receiving reports for contract awards relating to goods/products.

The contractor is directed to use the **2-in-1** format when processing invoices and receiving reports for contract awards relating to performance of services.

When entering the invoice into WAWF-RA, the contractor shall fill in the following DoDAAC fields or DoDAAC extensions:

The Contracting Office provides the following to assist the contractor with entering data in WAWF-RA, as follows:

Contract Number	M67400-10-P-XXXX
Delivery Order	N/A
Cage Code/Ext	TBD
Pay DoDAAC	M67443
Issue Date	Refer to Page 1, Block #31c
Issue By DoDAAC	M67400
Admin By DoDAAC	M67400
Ship To Code/Ext	M29024
Ship From Code/Ext	
LPO DoDAAC	
Acceptor Email Address	tatsuya.kohagura.ja@usmc.mil
Inspect By DoDAAC/Ext	

In some situations the WAWF-RA system will pre-populate the “Issue By DoDAAC”, “Admin By DoDAAC” and “Pay DoDAAC”. Contractor shall verify those DoDAACs automatically entered by the WAWF-RA system match the above information. If these DoDAACs do not match, then the contractor shall correct the field(s) and notify the Contracting Officer of the discrepancy (ies). Step by step WAWF-RA invoicing procedures for “Combo,” “2-in-1,” and “Cost Voucher” are available at the USMC paperless site at <http://www.marcorsyscom.usmc.mil/sites/pa/> under “Vendor Interface” section. On the Vendor Interface page click on “WAWF-RA” header at the top of the page. Under downloads on the WAWF-RA page that appears, click the appropriate document either “Combo,” “2-in-1,” or “Cost Voucher” to download the instructions.

NOTE TO CONTRACTOR: Before closing out of an invoice session in WAWF-RA, but after submitting the document or documents, the contractor will be prompted to send additional email notifications. Contractor shall click on “Send More Email Notification” on the page that appears. Add the acceptor’s/receiver’s email address (Note this address is their work email address not their WAWF-RA organizational email address) in the first email address block and add any other additional email addresses desired in the following blocks. This additional notification to the Government is important to ensure the acceptor/receiver is aware that the invoice documents have been submitted into the WAWF-RA system.

NOTE: The POCs identified above are for WAWF-RA issues only. Any other contracting questions/problems should be addressed to the Contracting Officer or other person identified in the contract to whom questions are to be addressed.

NOTE TO CONTRACTOR/VENDOR: For all shipments being delivered to Okinawa, Japan via San Joaquin Depot, Tracy, CA; attach a Proof of Delivery or Bill of Laden to your invoice in WAWF-RA. Failure to follow these instructions will cause the invoice to be rejected.
